

#### Information about booking campsites

Each horse / rider must book a campsite. Campsites are approximately 14m x 14m and can be occupied by ONE horse only. Teams are required to retain all ride gear (float, tow vehicle, other vehicles, horse yard, horse feed, 'living' area etc) within this area.

You must book and pay for your campsite on AERAonline at the same time as you lodge your ride entry. It is not possible to book a campsite without lodging a ride entry at the same time.

You won't be able to choose a specific site – sites will be allocated by the TQ25 ROC. All campsites are within a reasonable distance of the ride infrastructure (vet ring, toilets and showers, food stalls, ride office, trade stalls etc).

Please fill in the information below and return to [pam.shadbolt44@gmail.com](mailto:pam.shadbolt44@gmail.com) immediately after lodging your ride nomination and booking and paying for your campsite on AERAonline.
