

Western Australian Endurance Riders Association Inc

Annual General Meeting 7th December 2024

Dear Members

The committee has decided to return to the format of our AGM / GM as an afternoon meeting followed by Annual Presentations and then an evening meal. Rather than members providing the food it has been decided to have the meal catered for; Leenies will be the caterer for this event.

As with all our financial endeavours, we need to remain focussed on not spending frivolously. In order to facilitate this, the committee has decided that the club would subsidise the meal to enable members to pay a minimal cost of \$10.00 per head. Please enjoy browsing through the menu below to whet your appetite for the event for which you will soon be able to book online at AeraOnline Events.
