Catering

Horse Health Declarations

10 day temperatures of ALL horses regardless of vaccination status.

Track

A good track offering variety and good terrain with the usual number of volunteers to open the gates for all. We have estimated that there is a friendly person to say “hi” every 5km. Work that out over a course and that is a lot of “hellos”.

Fees

80km - \$140

40km - \$75 QERA members and \$90 for Day members

20km - \$40 QERA members and \$55 for Day members
